

RESEARCH CRUISE OPPORTUNITY

For Qawalangin Tribe Members

INTERESTED? APPLICANTS MUST:

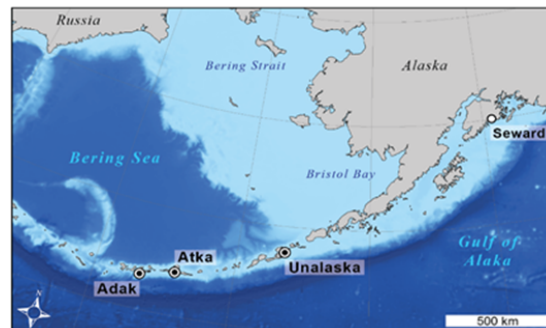

- Be 18 or older as of July 1, 2022
- Have strong communication skills and be able to work in close quarters with a diverse team.
- Be knowledgeable of the Unangan culture and the ecology of the Aleutian islands, and interested in sharing life experiences and knowledge with the team
- Be physically and mentally prepared for long and demanding work days.

This opportunity is not for everyone! It will require long strenuous days with 12 hour shifts and the ability to remain enthusiastic working with a diverse team within the close confines of a ship and in all weather conditions.

For more information and to apply please visit www.qawalangin.com/BeringStormProject, or contact Chandra Poe, chandra@qawalangin.com or 581-2920

OVERVIEW

We are looking for 2 Unangan individuals to join a research team aboard the R/V Sikuliaq (above). Selected candidates will become active members of the science team, participating in research activities while sharing their local environmental and cultural knowledge

SCHEDULE & COMPENSATION

The cruise is scheduled to depart from Seward July 28, voyaging out to Adak and returning to Seward on August 24.

Participants may complete the entire voyage or a shorter length (Seward to Unalaska, or Unalaska to Adak) depending on their availability. All travel will be provided and a daily stipend included for days on board.
